### PREVIEWS 2011

**TODD, CHARLES**                      *A LONELY DEATH*                      **\$14.99**                      **(HARPER)**

Three men have been murdered in a Sussex village, and Scotland Yard's Ins. Ian Rutledge has been called in. It's a baffling case. The victims are soldiers who survived the horrors of World War I only to meet a ghastly end in the quiet English countryside two years later. Each had been garroted, with small ID discs left in their mouths. But even Scotland Yard's presence doesn't deter this vicious and clever killer. Shortly after Inspector Ian Rutledge arrives, a fourth soldier is found dead. With few clues to go on and the pressure building, Rutledge must gamble everything—his job, his reputation, and even his life—to find answers.

**MURPHY, SHIRLEY ROUSSEAU**                      *CAT TELLING TALES*                      **\$19.99**                      **(MORROW)**

A suspicious fire leaves a 12-year-old boy homeless when the body of his alcoholic elderly guardian is discovered in the smoldering ruins. Then, a woman with two children appears on the Damen doorstep, claiming to have no money and nowhere else to go. The experienced Joe Grey smells a rat, and will work his paws off to prove it. Scratching out clues, he and his P.I. posse follow a trail that lead to a scam involving a group of shady real estate agents. Then a realtor goes missing, Joe suspects something more sinister.

**WAITE, URBAN      *THE TERROR OF LIVING*      \$14.99      (BACK BAY)**

For 20 years Phil Hunt has lived on his small farm in Washington State, raising horses and trying to stay clear of the law. But when a less-than-legal side job goes horribly wrong, Phil is suddenly on the run from tow men- Drake, the deputy sheriff who wants to jail him, and Grady, a vicious hitman with a knife fetish who wants to kill him. An explosive chase ensues, with Hunt using all his willpower & toughness to rescue his quiet life and save his own skin.

**CARRISI, DONATO      *THE WHISPERER*      \$25.99      (MULHOLLAND)**

Severed arms are discovered in a clearing, buried in a circle, and belonging to girls who have recently been abducted. Alive or dead, the remainder of the bodies is missing. By-the-book criminologist Goran Gavila is paired with Officer Mila Basques, whose reputation of insubordinate behavior is counterbalanced only by her ability in cases involving missing children. Gavila & Vasquez find are confronted with a killer who is clearly guilty but raises new questions regarding the case. This book is a literary thriller that is a smash bestseller in Europe.

**ROBOTHOM, MICHAEL      *SHATTER*      \$14.99      (MULHOLLAND)**

Joe O'Loughlin is in a familiar spot - standing on a high bridge trying to stop a person from jumping. His failure to save the woman haunts him, until her teenage daughter finds him and reveals that her mother would never have committed suicide - at least not that way - she was terrified of heights. Faced with this, Joe must find out what caused the woman to commit such a desperate act and finds himself facing an adversary who tears minds apart.

**PATTERSON, JAMES & ELLIS, DAVID      *GUILTY WIVES*      \$27.99      (LITTLE, BROWN)**

Abbie Elliot has had a really bad year, giving up her life to follow her diplomat husband to a new life in Zurich. Now she and her friends are in desperate need of a vacation, and decide to spend a weekend in Monte Carlo. They indulge in every temptation: fine wining and dining, high-stakes gambling, and gorgeous men. The party comes to a sudden halt when two bodies are found and the friend's are the prime suspects. In a dramatic trial it becomes clear that they have been framed but by whom?

**O'MALLEY, DANIEL      *THE ROOK*      \$25.99      (LITTLE, BROWN)**

"The body you are wearing used to be mine" says the letter Myfanwy Thomas is holding when she awakes in a park surrounded by bodies. With no memory of who she is, she follows the instructions left by her former self. She soon learns that she is a Rook, a high level operative in a secret agency that battles supernatural forces. She also learns that there is a mole in the organization, and that person wants her dead. In this suspenseful and hilarious debut, Myfanwy will battle an enormous conspiracy.

**PRESTON & CHILD      *GIDEON'S CORPSE*      \$26.99      (GRAND CENTRAL)**

Ex-thief & nuclear scientist Gideon Crew gets called in when a colleague of his, Chalker, has taken an innocent family hostage. Crew tries to talk him out of it, but the Chalker is killed by a SWAT team. Authorities discover that Chalker was part of a terrorist cell that was trying to detonate a stolen nuclear weapon. Gideon's attempt's to aid in the investigation result in him being framed as one of terrorists himself, forcing him to go on the run to try to find the real terrorists.

**SMITH, TOM ROB      *AGENT 6*      \$25.99      (GRAND CENTRAL)**

1965. Leo Demidov, former secret police agent, is kept at home as his wife and daughters travel to New York where they end up being caught up in a horrible tragedy. Leo demands that he be allowed to investigate and find the attacker that struck at his family. In a story that spans from the 60's to the 90's and continents, Leo's pursuit of justice will force him to confront everything he ever thought he knew about his country, his family and himself.

**SMITH, TOM ROB - *CHILD 44*      \$14.99      (GRAND CENTRAL)**

A debut thriller set in Stalinist Russia. Leo Demidov, a rising prominent officer in the state security force, is a former war hero who only wants to defend his country's workers paradise. To do this and guarantee a secure life for his family, Leo has spent his career suppressing ideological crimes against the State. But then the impossible happens - a serial killer is on the loose in this paradise. At the same time, Leo is in trouble with the state. To save his own life he must confront the security forces & stop a criminal that the State won't even admit exists.

**READ, CORNELIA - *INVISIBLE BOY* \$13.99 (GRAND CENTRAL)**

Runaway socialite Madeline Dare is shocked when she discovers a child's skeleton in her own week-ridden family cemetery across the river from Manhattan. Determined to see justice done, Madeline finds herself examining her own troubled history along with the sometimes hidden, sometimes all too public, class and racial warfare that penetrates every level of society in the street of New York City in the early 1990's.
